Claims 1-15 and 17-21 are allowed. Claim 16 has been canceled.

The following is an examiner's statement of reasons for allowance:

On thorough review of the application and claims, applicants arguments are persuasive in that the prior art fails to anticipate or properly render obvious a three way two position poppet valve having first, second and working ports in which the housing includes a "a first coaxial cylindrical passage adjacent (the) first valve seat and a second coaxial cylindrical passage adjacent (the) second valve seat, (the) poppet body (having) a first coaxial cylinder part slidingly and sealingly fitting said first passage, and a second coaxial cylinder part slidingly and sealingly fitting said second passage".

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to JOHN RIVELL whose telephone number is (571)272-4918. The examiner can normally be reached on Mon.-Fri. from 6:00am-2:30pm (EST).
